- 2002-2012: Basic safety working at Offshore - Petro Vietnam safety and Environmental Center - Yearly

**Providing Certification audits according to the above standards for over 1000 companies in the following activities:**

- Oil and gas, construction & electric materials, chemical products, industrial gas, rubber tyres and accumulators, Manufacture of electrical motors, lighting and miscellaneous electrical equipment
- Manufacture, Trading & Import Export of Pharmaceutical Products
- Manufacture of Disposable Infusion Set and Plastic Medical Instruments, Medical Devices
- Testing and analytical laboratories, Consulting and training activities, University
- Manpower supply services. Hospital service, catering service
- Mechanic, Equipment Assembly & Metal Structure, Renovation Design, Building & Repairing of Ship (105.000 tons) and floating Facilities, fabrication & Installation steel structure, Fabrication, Erection and Maintenance of High Pressure Vessels, Tanks, Fabrication
- Oil spill response services on river & sea; Inspection, refurbishment & maintenance of oil & gas equipments
- Well Logging Services, Drilling tool rental services; Tubular handling services
- Design, engineering, fabricating of oil, gas and petroleum skid mounted equipment, fabrication structure steel, provision of equipment & material for oil & gas and other industries, wellhead rental, welding conductor, equipments maintenance services
- Building, maintaining, repairing, modifying of equipments and facilities in oil and gas industry, manufacturing industry and industrial constructions
- Engineering and design of oil and gas offshore platforms and associated components including topside, jacket and pipeline
- Operation & Maintenance of Central Processing Platform, Offshore Stationary Platforms, Wellhead Platforms, Water Injection Platform, Floating Storage Offloading Tanker(FSO)
- Technical Services in Oil & Gas Production, Process, Transportation, Storage and Offloading
- General Technical Support Services for Machines, Equipments, Instruments especially in Oil & Gas Industry
- Well Survey Service; Slick line Service; Production Intensification Service

- Manufacture of insulated wire and cable, Telecommunication Equipment
- Aquatic Products and Animal, Aquatic, domestic Feed
- Manufacture, Processing and Supply of Frozen Fruit and Vegetable Products, Processing Agricultural Foodstuff Products (baby corn, pineapple, Cashew Nuts, Dried Vegetable, ...)
- Provision of Inspection Services (including Industrial & Consumable Goods, Agricultural, ...)
- Manufacture, Packaging, Storage and Supply of beverages - Beer and Soft Drinks, Natural Mineral Water, Wines, Ginseng Foster Drink
- Manufacture and supply of kind of snacks/Food/ Catering/ Instant Food
- Building & minor civil engineering works, Building installation, Consulting for Investment & Construction
- Supplying materials, machinery, equipments for maritime and industry; mechanical splicing wire rope
- Manufacturing & assembling refrigerator, washing machine
- Manufacture and trading of Nitrogenous Fertilizer and Ammonia Solution
- Electricity production
- Manufacture of organic and inorganic chemicals, Manufacture of plastic products
- Manufacture and Supply of Frozen Cooked and Raw Shrimps
- Processing of Pangasius Hypophthalmus, Pangasius Bocourti Frozen Fillet
- Aquatic Products and Animal, Aquatic, domestic Feed
- Manufacture, Processing and Supply of Frozen Fruit and Vegetable Products, Processing Agricultural Foodstuff Products (baby corn, pineapple, Cashew Nuts, Dried Vegetable, ...)
- Provision of Inspection Services (including Industrial & Consumable Goods, Agricultural, ...)
- Forest, Aquatic & Chemical Products, Production Lines, Sea& Land Conveyances & Environment
- Manufacture, Packaging, Storage and Supply of beverages - Beer and Soft Drinks, Natural Mineral Water, Wines, Ginseng Foster Drink
- The production of chicken loops and twine for meat packing in food industry
- Provision of non destructive testing service
- Manufacture and supply of Paints and related Coating
- Design, Manufacture and Supply of Stationery Products, Pens, Inks, Glue, Plastic Rulers, Boards
- International freight forwarding services Business and management consultancy
- Manufacture of home accents & outdoor living products from terracotta clay
- Management activities of holding companies

- Manufacture of clothing, Garment
- Manufacture of ceramic goods, tiles and bricks, cement, lime and plaster

- Passenger service, Lost and Found service, Weight & Balance Service , Loading supervision service, Co-ordination service , Ramp service, Baggage Service, Cabin cleaning service, Training services for Ground Handling
- Relocation Service, railway work
- Design and Manufacture of Boiler for power plant, HRSG (Heat Recovery Steam Generator), Desalination plant (Evaporator), CPE (Chemical Process Equipment)
- PS (Painting & Shipping), MHE (Material Handling Equipment) , MM (Machine Maintenance), FM (Facility Management)

## WORK EXPERIENCE

- Present: Professional Trainer - VAPT
- 2008 to Date: Lecturer at Ton Duc Thang University
- 03/2005 - 2010: DET NORSKE VERITAS - Lead Auditor for Certification Department, Operation Manager

## TRAINING EXPERIENCE

### ❖ Training Program:

ISO 9001	HACCP	GMP
ISO 22000	ISO 14001	OHSAS 18001
ISO 13485	5S	Kaizen
Internal Audit	Risk Management	Leadership SKILLS
Effective supervisory skills	Success Circle	Skills management change

Problem-solving skills	Time management and Planning skills	Staff management skills
ISO 10006 for Project Management	ISAGO standards and safety management systems for air services	

❖ **Experience in consulting projects:**

Oil and gas	Construction & Electric materials	Manufacture of electrical motors
Chemical products	Industrial gas	Rubber tyres and Accumulators
lighting and miscellaneous electrical equipment	Lighting Equipment	Production of motorcycles
Universities and lab	Service provider of human resources	Services related to hospital
Provides packaging for beverage manufacturers, alcohol, ...	Foods	Livestock products
Garments	Stationery	Air service

❖ **Consult:**

ISO 9001	HACCP	OHSAS 18001
ISO 14001	Safety Management System	

❖ **Conference:**

- Conference “Quality Management in International Trade Integrate, the HACCPISO 9000-ISO 14000... system” - (Standard - Measurable and Qualitative Department of Lam dong) - Lam Dong Department of Science and Technology - 9/2003.
- Conference “Quality Management in International Trade Integrate, the HACCPISO 9000-ISO 14000... system” (Standard - Measurable and Qualitative Department of Daclac) Daclac Department of Science and Technology 10/2003.
- Conference “Efficiency in Applying of ISO 9000, ISO 14000, HACCP - Best management tool in International Trade Integrate” (Standard - Measurable and Qualitative Department of Binh duong) - Binh duong Department of Science and Technology - 11/2003.
- Conference “Environmental management system - Supporting for Enterprises in integrating of World Trading” The Bureau of Environment - Ho chi Minh city 12/2003
- Conference “Hygiene and safety for Food” The Bureau of Hygiene and safety for Food - Ho chi Minh city 5/2004

**TRAINED COMPANIES**

Prudential	Honda	Cement Vietnam	NYK Line
Far Eastern Group	Canon	Crown Saigon	Nike
Phu Thai Group	ISUZU	Tan Hiep Phat	Saigon Foods
Oil and Gas Enterprise	Dung Quat Shipyard	Southern Airport Corporation
